This exploded view diagram illustrates the assembly of a mechanical component, likely a pump or valve. The parts are numbered 1 through 34. The assembly is shown in a disassembled state to identify individual components and their relative positions. Key parts include a main housing (23, 24, 25, 26), a central shaft assembly (15, 16, 17, 18, 19, 20, 21, 22), a diaphragm (27), a spring (30), and a base (33, 34). The diagram also shows various seals, O-rings, and fasteners (10, 11, 12, 13, 14, 28, 29, 31, 32) that hold the assembly together. The components are color-coded: grey for the main housing and base, black for seals and O-rings, yellow for the diaphragm and some fasteners, and red for the spring and other internal components.

4

WOD BOM

No	Cat No.	Description
1	02205477	Electric Coil for Auto Flushing MK2
2	02206745	Solenoid Latch 12 Ohm for Flush Control
3	02205894	Electric Coil Holder MK2
4	02205478	O-Ring 21.95X1.78 Electric Holder MK2 P629
5	02205896	Diaphragm Holder MK2
