

# Turkey Heavy Finish

Plasson Turkey Heavy Finish (THF / LTHF) supplies the required water quality and quantity at the right flow rate for adult turkeys. The drinker is mounted on Plasson nipple systems and ensures reliable and constant fresh water supply.

## Key Features and Advantages:

- Robust design made to last
- Easy access to water - Pendulum is easily activated 360°
- Large trays enable increased water availability and less spillage
- Stainless Steel cups in the tray center prevent damage and ensure longevity
- Cups are kept clean through natural drinking
- Plasson unique high-pressure regulators ensure efficient water supply

## Large Turkey Heavy Finish (LTHF) – 02205842

Item No.	Description
02205537	Turkey Heavy Finish Spring
02205531	Turkey Heavy Finish Adaptor
02205844	Large Turkey Heavy Finish Pendulum Set
02205869	Large Turkey Heavy Finish Tray

### General guidelines

20 - 30 Turkey Hens per LTHF

15 - 25 Turkey Toms per LTHF
