

## Modular Line End

### Benefits

- Modular design to allow the various configurations shown below
- Building your own set-up for your tailored needs - we redesigned the body for simple and easy installation, without compromising multiple levels of functional versatility.
- Specific configurations for Auto Flushing, vertical or horizontal flushing outlets - check valves keep flushing water from flowing back into the drinking line, maintaining lines clean, water fresh and your flock healthy
- High quality materials to guarantee a long life span - designed and produced by Plassons' plastic engineering experts

## Parts

Cat No.	Description
02204082	Pressure Indicator Double Sealing 60 Com
02204084	Detachable Pressure Indicator Double Sealing 60 Set
02209168	Quick Release Socket Female ¼" Epdm (22081104002)
02205721	S/S Bolt ¼" - 17mm
02209018	S/S Nut ¼"

### Non-Return Flush Parts:

Cat No.	Description	No.
02204055*	Check Valve Half Ball PVC F-¾" BSP	5
02209133	Male Adaptor Straight Hose Conn. 12mm - ¾"	6
02209083	Pipe Clamp (St.st.) 14-27	7
11081007	Check Valve Thr ¾" Ptfе Coated Spring + Epdm O-Ring	8

\*for upwards vertical installation only

### Add-Ons:

Cat No.	Description	No.
02204050	M. Line End Cap ¾" BSPT	9
04002007	Flat Seal For ¾" Thread	10
02204052	M. Line End Adapter Flex Hose X ¾" BSPT Kit	11
03013057	¼ Turn Valve Female ¾" X Flex Hose 12mm	12
